SACK it®

DARE YOURSELF

If you do not dare to take a chance, you will never reach what is at the end of the rainbow. We encourage everyone to dare a little more and to make more exciting decisions. To always see opportunities instead of limits. Choose your own path, your own style, choose what feels right. Go with your gut feeling or ignore the rational angel on your shoulder.

At SACKit, the phrase “Dare yourself” is the basis of our philosophy. We see opportunities. We dare to believe in them. This is where our success lies. We dare to challenge the existing and to believe in new possibilities. For instance, we refuse to compromise on a design, even though manufacturers tell us it is impossible. We dare to find a way. We dare to make products that are better designed, better priced, and in better quality than the existing.

Our products are Danish designed multi-functional lifestyle items with beautiful Scandinavian aesthetics. You will always find more than one purpose for your SACKit product. Our designs are created for the modern, active lifestyle, which requires high flexibility, usability and exclusive design.

High-end headphones, speakers and accessories from SACKit is all you need.

Love SACKit

ABOUT THE **CHARGEit** SERIES

CHARGEit is a series of wireless chargers that works with devices that support Qi certified wireless charging. SACKits goal for CHARGEit is to develop the best product on the market in quality, functionality, and design.

Some products in the series are power banks that can charge wirelessly and at the same time be brought with you on the go.

The frame is made with sandblasted, diamond cut aluminum with a colored USB C-port in metal, while the front is covered in Revive fabric from the leading Danish textile-manufacturer Kvadrat.
To complete the design-experience the cable matches the color of the fabric.

All CHARGEit chargers are Qi-certified, meaning that you get the safest and most stable wireless charging on the market. The battery is of an impressive 6.000 mAh and ensures that you get up to three full charges of a smartphone. Built-in LED-indicators give you a quick overview of the battery status and whether the wireless connection is active.

CHARGEit OVERVIEW

	Power Bank	Capacity	Fast Charging	Cable Length	Devices Charging	Coils*
Charge 50			15W	1,5 m	1	1
CHARGEit Dock			10W	1 m	1	1
CHARGEit Stand Dock			10W	1,5 m	1	2

ABOUT THE **IN-EARS**

The SACKit Rock is a series of high-quality Bluetooth earbuds. The intentions with the in-ear headphones were to create earbuds in a sleek, minimalistic, and yet functional design that goes with every sort of style.

We have created the perfect earbuds for every occasion, whether you are the busy workaholic, the active sportsman or the type of person who just enjoys music with high quality sound.

The Rock headphones are completely wireless and have a built-in microphone and on-earbuds controls for answering phone calls and controlling music while your phone stays in your pocket.

All in-ear earbuds (except for Rock 100) come in cases which have wireless charging. With a set of Rock earbuds, you get the impressive number of 20-28 hours of battery life in one single charge of earbuds and case. The earbuds are either water resistant or waterproof, which makes it perfect on the go.

IN-EAR OVERVIEW

	Fit	Battery life	Bluetooth	ANC	Wireless Charging	Water Resistance
Rock 100	In-ear	20 Hours	5.0			IPX5
Rock 250	In-ear	28 Hours	5.0		X	IPX5
Speak 200	In-ear	32 Hours	5.0	X	X	IPX4
Active 200	In-ear	27 Hours	5.0		X	IPX7 Water Proof

No claims are made to the BLUETOOTH trademark and logo which are the property of Bluetooth SIG, Inc. Any references solely serve to indicate the compatibility of the components of SACKit's products with the technology.

ABOUT THE **ON- & OVER-EARS**

Our on- and over-ear headphones are part of a wide range of high-quality Bluetooth headphones. WOOFit and Touch are ideal headsets for the train ride, the fitness center, the flight, or whenever you're on the go and need great quality sound without compromising on design.

Listen to your favorite tunes, skip a track directly on your SACKit headphones. The built-in microphone and the on-headphones controls make it possible to answer phone calls, while your phone stays in your pocket.

Most of our on- and over-ear headphones have Active Noise Cancellation, which means you can shut out all surrounding noise and just enjoy truly wireless music. The headphones give you the impressive number of 12-50 hours of battery life in one charge.

ON- & OVER-EAR OVERVIEW

	Fit	Battery life	Bluetooth	ANC	Wireless charging	Water resistance
WOOFit Headphones without ANC	On-ear	12 Hours	5.0			
WOOFit Headphones	On-ear	12 Hours	5.0	X		
Touch 100	On-ear	25 Hours	5.0 + Multipoint	X
